Although we are in agreement that a fee can be charged to cover the cost of paper and ink for the printed courses, rent, electricity and any related expenses for the Bible School facility, we ask that cost for the student will be kept at a minimum. "...Freely you have received, freely give." (Matthew 10:18)

We trust and pray that as you read these questions and requirements, that the Holy Spirit will lead you in this application to start a Bible School in your area. *ATWM is not at any time responsible for any financial assistance for the Bible School, teachers or supplies.* Our **only** aim is to give you sound Biblical material for teaching, to help mature and train people for the ministry to which God has called them.

God bless you as you labor for Him in your part of His Vineyard.
